Re: Annual Standing Review Form and Clergy Ethics Form

Fall Greetings to each of you and thanks for the ministry that you provide in so many settings and to such an array of God's children. What a joy and honor it is to serve together in the name of the Christian Church (Disciples of Christ).

It's that time of year again when we ask for your cooperation in completing an Annual Review Form. We need your information to complete the report we send to the Disciples Yearbook. Also, it is important to remember that only persons listed in the Yearbook are able to claim special ministerial income tax benefits. In addition, many persons around the nation go immediately to the Yearbook to locate their former beloved minister, or a seminary classmate, or the minister that married them.

Some information that may help anticipated questions:

1. If you completed a form last year, **you still need to complete one this year.**
2. If you are new to this region, please be sure to sign and include the ministerial code of ethics form with your Annual Review Form.
3. If you are not new to the region, but unsure if you have a signed ministerial code of ethics on file in the regional office, go ahead and complete it.
4. If you need to read the policies and procedures, go to www.ccncn.org and click on "resources" on the left: hand menu.
5. Yes, retired clergy do need to complete this form.

Please note that the completion of this form is a requirement to maintain your standing and that the deadline for returning it to the regional office is November 6.

Thanks for your cooperation and blessings on your ministry,

Tom Harshman
Recognition and Standing Chair
