CAMPERS – OUTDOORS MEN

If you do not want to stay in a comfy Hotel, but prefer the wonderful experience of camping during the Men’s Retreat, San Luis Reservoir State Recreation Area is very near Hotel de Oro, and is noted for boating, board sailing, camping, and picnicking. But it’s anglers who find the three lakes most inviting.

MISSION STATEMENT

To challenge and empower men to grow spiritually through study, mission/service, mentoring and sharing the love of Christ.

The Executive Committee has been saying for several years, and with increasing earnestness, that it is important to do more to include our young men and youth in the church's life and in men's ministries. Warren Farrell wrote a book called *Father and Child Reunion* and is writing a proposed paper for a White House Council on Men and Boys. His forthcoming book, *The Boy Crisis*, will be co-authored with John Gray who is famous for his best seller *Men Are from Mars, Women Are from Venus*. Warren sees serious issues facing our boys and young men and is working to help them face the concerns. It is hard to imagine a better presenter for this retreat.

Warren's plan for our retreat includes three subjects: the clash between the values we tell our youth we expect from them and the behaviors we actually reward; the portrayal of youth and men in the media; and the process of considering careers. This is not just for youth; it is also for men who want to help boys and young men develop in healthy ways, and for us as men to look at our own lives and values in a new way. In his writings, Warren comes to many insightful and surprising conclusions.

The Financial Times has listed Warren as one of the 100 top thought leaders of our time! He has written several books, all of which are about men's lives and values. These include *Why Men Are the Way They Are*, his biggest seller, *The Myth of Male Power*, considered a classic in the field of men's studies, *Does Feminism Discriminate Against Men?* and *Women Can't Hear What Men Don't Say*, a Book of the Month Club selection, among others. Though he writes in secular terms, his values are Christian. He focuses a great deal on couples and communication. Interestingly, he is the only man to have been elected to the board of the National Organization for Women in New York City three times. He also served on the national boards of three men's organizations.

Dr. Farrell has appeared repeatedly on the Today show, Good Morning America, the CBS Morning News and the Oprah Winfrey Show, as well as on ABC World News with Peter Jennings, 20/20, Larry King Live and others. He is frequently interviewed on Christian radio programs. In addition to his books, he has written for publications including Forbes, the Wall Street Journal, the New York Times, Cosmopolitan, Ms., professional psychology journals and the World Book Encyclopedia. We are excited to invite Warren to speak at our Men's retreat in October of 2009!!
