

## **HELP WOMEN'S MINISTRIES PROVIDE SHOES AND SCHOLARSHIPS!**

During the month of July the regional Women's Ministries leadership is inviting everyone to participate in a region-wide mission project called "Soles for Souls". This mission project is very simple! The organization donates shoes to people (domestic and international) who have been affected by natural disaster.

How does it work: It is incredibly simple!

\$5 gives two pairs of flip-flops to people in need \$10 gives 1 pair of clogs to someone in need

Donations of any and all monetary amounts accepted! Donations need to be received by July 31, 2010.

How to Give: Donations can be made by going on to the website directly:

Donations may also be mailed to the Financial Coordinator:

CCNCN Women's Ministries Financial Coordinator Denise Turner PO Box 2625 Santa Rosa, CA 95405

How it benefits us: The scholarship fund for Women's Ministries of the CCNC-N will receive a portion of the donated funds. We are seeking to raise \$1200 in scholarship--- these scholarships send our women to retreats and leadership development opportunities. To do this, we need a total donation of \$3,000----and we are up to the challenge!

Please contact Paula at the regional office if you have questions.
