Hello Fellow Campers:

What an exciting week we have planned for our time at Junior Camp! First of all, let me tell you that we have a wonderful opportunity to experience camp this year in a whole new way. We will be running our camp simultaneously with the Chi Rho camp; we will be using Claar House (which is air conditioned), while Chi Rho will be using the Bobbitt area. We will still do all of the great things we have done in the past, but in a whole new exciting way. Bunk beds are being put into the rooms at Claar House to accommodate all of us.

The theme this year will be **“Technicolor Stories: Tales in Biblical Proportions”**. Along with this theme it might be nice for you to pack some brightly colored clothes for your week with us. Our Biblical stories can be rather colorful, and we will have fun finding those stories and relating to them in unique ways.

It is important that you bring your Bibles to camp with you. Yes, we will be using them! Also, bring some white clothes that you would like to tie dye.

This will truly be an awesome week where we can meet God in creative, colorful ways!

In His Love,
