

Tetanus Waiver for Campers and Volunteers of the CCNC-N Camp Programs

The Christian Church of Northern California-Nevada, herein referred to as CCNC-N, requires a waiver for any camper whose tetanus shot is not current in order to attend camp.

CCNC-N feels it's important to have a current tetanus vaccination before participating. To emphasize that importance, we ask you to read and sign the following waiver:

I, _____ desire to enroll in a camp offered by CCNC-N, titled _____. I have been advised by CCNC-N and am aware that the camp requires a Tetanus vaccination within the past 10 years. In consideration for CCNC-N allowing me to participate in camp, I hereby release CCNC-N, its officers, trustees, agents and all others associated with it from all liability of any type whatsoever which may arise in whole or part, directly or indirectly from my decision to abstain from having a tetanus inoculation as would ordinarily be required by CCNC-N in the normal course of its program. I further agree to indemnify and save and hold CCNC-N harmless from any claim, by whomever it may be asserted and from any expense and liability which may arise in whole or in part, directly or indirectly, from my decision to abstain from having a tetanus inoculation as set forth above. DATED this _____ day of _____, year.

I have read, understood and agree to the above points and the tetanus waiver.
